

Job description

Brideau Energy is looking to add **licensed Propane/LP Technicians** to their Fitchburg based service department. Our positions are permanent full-time, working daytime shifts, on call responsibilities are divided across 20 technicians, and overtime is available. We are proud to be a local family-owned business supporting homeowners in Central Massachusetts and New Hampshire communities for over 35 years. We have created a friendly work environment that values the dedication of our employees.

Benefits

- Annual Company Performance Bonus
- Employee Discount for Fuel and Services
- Only a 30-day waiting period for Benefits!
- Medical and Dental Insurance 75% Employer Sponsored. 30 Day waiting period
- Medical Opt-Out Incentive for employee that don't need medical insurance.
- \$4000 HRA to assist with medical expenses.
- Flexible Spending Account
- 401(k) Plan and Company Match
- Company Paid Short-Term, Long-Term, and Life Insurance
- Tuition Reimbursement Program
- 3 Weeks' Vacation + 8 Holidays
- Company Service Van you can take home!
- Company coordinated events (luncheons/sporting events/company dinners)

Responsibilities

- Return to Service Duties include troubleshooting, repair, leak checks, and relighting of appliances or boiler.
- Installation Duties include setting propane tanks, running and connecting gas pipe, and relighting the boiler/appliance to ensure proper installation.
- Master knowledge of LP safety standards and application by performing gas leak assessments, pressure tests, and proper installation to pass town inspections.
- Drives a service truck with a crane and boom attached to deliver, install, and remove tanks of various sizes at customer locations. **Heavy lifting is necessary in areas the crane cannot access.
- Utilizing a company-provided iPad and software as a communication method and documenting customer/job information.
- Communicating with Dispatch and Service departments
- Acting as the face of the company by providing respectful and informative customer service.

Minimum Qualifications

- Massachusetts Liquefied Petroleum (LP) Installer License Required
